When it's her big day, everything has to be perfect, and she's going to make sure it is. Because she's no ordinary bride, she's a bride of India. When she makes her grand entry, it's a moment of breathless beauty, where the world can't help but stop, stare and admire. For once, it's the groom that will turn shy while she walks, moves and grooves with joy on her face and a sparkle in her eye.

Her big day is going to be her way. She's going to make a statement and she's going to own it. Dazzling in her gorgeous wedding dress while the stunning jewellery she adorns adds to her radiance and glow. And at Malabar, we are celebrating this modern, progressive bride with a unique and timeless wedding jewellery collection that reflects her spirit and vivacity. From Kerala to Punjab, Gujarat to Bengal, world, take note, for here she comes.
