SAY NO TO BAD GOLD

1 THE GOLD SHOULD BE LEGALLY AND ETHICALLY SOURCED

The moral purity of the gold you buy holds equal significance to its physical purity. Opting for legally and ethically sourced gold is important to avoid being a party to unhealthy and unethical practices plaguing the jewellery industry which leads to promoting illegal mining, child labour, terrorism funding, etc. By refusing morally ambiguous gold, you demonstrate your authority as a conscientious citizen, exercising responsibility for your actions.

At Malabar Gold & Diamonds, every gram of gold that you buy is sourced through proper channels such as LBMA (London Bullion Market Association) or UAE Good Delivery and in strict adherence to Anti-Money Laundering (AML) policies as well as policies to Combat the Financing of Terrorism (CFT). We guarantee gold of unmatched ethical and regulatory standards.

2 916 HALLMARKED JEWELLERY

Hallmarking is the process of officially verifying and certifying the purity and authenticity of precious jewellery. It involves imprinting specific marks or symbols on the item that indicate important information, including the purity of the gold, the manufacturer's or sponsor's mark, and the assay office responsible for the hallmark. It is a critical step in quality assurance and ensures that the gold meets the recognized standards of purity and transparency in addition to helping prevent fraud, counterfeit products, and unethical practices in the gold industry.

100% of the jewellery at Malabar Gold & Diamonds is 916 Hallmarked providing assurance of purity, transparency, and safeguarding consumer rights.

3 RESPONSIBILITY & SUSTAINABILITY IN EVERY STEP OF THE PROCESS

As a responsible and sustainable brand, Malabar Gold & Diamonds ensures that all processes and practices we follow are 100% compliant with the rules of the land and in adherence to the values of the organization. Each piece of jewellery available at Malabar Gold & Diamonds is skillfully handcrafted by our team of expert artisans in state-of-the-art facilities that provide a secure and encouraging environment, utilizing cutting-edge machinery to assist in the creation of exquisite jewellery masterpieces. Through our commitment to fair labor practices, we ensure that the individuals behind the creation of our masterpieces also reap the benefits as valued stakeholders within our organization. We strive to create an environment where all individuals involved in the jewellery-making process are treated with fairness, respect, and dignity.

4 ALWAYS BUY GOLD WITH A VALID INVOICE AND CONTRIBUTE TO YOUR NATION'S GROWTH

A valid invoice serves as the strongest evidence of ownership for your jewellery and verifies the authenticity of your purchase. This documentation ensures that future transactions involving selling or exchanging your jewellery are seamless and trouble-free. Furthermore, an invoice represents a fundamental consumer right and acts as a potent tool in legal disputes or situations requiring redressals. By insisting on obtaining a legally valid invoice when purchasing jewellery, you safeguard your investment and actively contribute to the progress and prosperity of your nation.

Every purchase made from Malabar Gold & Diamonds is accompanied by a valid and transparent invoice, ensuring the protection of your jewellery purchases, guaranteeing transparency and serving as a safeguard for your investment in our exquisite jewellery.
