PROMISE

The true beauty of natural diamonds lies in the good that they create for the world - from empowering and enriching communities to helping restore the environment.

The Natural Diamond Council (NDC), the global authority on all things natural diamonds, has joined hands with Malabar Gold & Diamonds to highlight the integrity and sustainability, as well as the emotional value of natural diamonds.

Whether it be providing relief services during the pandemic or various other initiatives including ensuring education, safe living, and housing for a plethora of communities, the modern natural diamond industry continues to help the world become a better place.

Together, the Natural Diamond Council and Malabar Gold & Diamonds will take the legacy of natural diamonds forward and create a world that is beautiful, full of life, and accessible to all.
