THE RESPONSIBLE JEWELLER™

GOLD SHOULD BE LEGALLY AND ETHICALLY SOURCED

At Malabar Gold & Diamonds, every gram of gold that you buy is sourced through proper channels such as LBMA (London Bullion Market Association) or UAE Good Delivery and in strict adherence to Anti-Money Laundering (AML) policies as well as policies to Combat the Financing of Terrorism (CFT). We guarantee gold of unmatched ethical and regulatory standards.

100% HALLMARKED JEWELLERY

100% of the jewellery at Malabar Gold & Diamonds is Hallmarked, providing assurance of purity, transparency, and safeguarding consumer rights.

RESPONSIBILITY & SUSTAINABILITY IN EVERY STEP OF THE PROCESS

From the exclusive usage of FSC (Forest Stewardship Council) certified packaging, LEED Gold certified office & outlets to ensuring fair labour practices across the entirety of our supply chain, we are committed to being an organization that prioritizes responsibility and sustainability.

The true beauty of natural diamonds lies in the good that they create for the world – from empowering and enriching communities to helping restore the environment.

The Natural Diamond Council (NDC), the global authority on all things natural diamonds, has joined hands with Malabar Gold & Diamonds to highlight the integrity and sustainability, as well as the emotional value of natural diamonds.

Whether it be providing relief services during the pandemic or various other initiatives including ensuring education, safe living, and housing for a plethora of communities, the modern natural diamond industry continues to help the world become a better place.

Together, the Natural Diamond Council and Malabar Gold & Diamonds will take the legacy of natural diamonds forward and create a world that is beautiful, full of life, and accessible to all.
